

MAINTENANCE

Pool Vacuums

Ultramax – The Ultramax is designed especially for commercial pools and water parks and is supplied with a handheld remote control. Requires no installation and can be supplied with a variety of special application options, such as infrared detection system and zero depth air sensor. The Ultramax is lightweight (35 lbs.), has a cleaning coverage of 12,500 sq. ft. per hour and comes complete with 120 feet of floating cable. Low voltage (24 V) and the built-in filtration system and high-powered suction system will remove all debris, including algae. Comes with parts package and instruction video.

- AP1000 Ultramax**
- AP1000RDS Ultramax with Infrared**
- AP1000ZD Ultramax w/ zero depth** Each Pro-Vac is assembled with white "short leg" strips for leaves and large debris. A blue "long leg" strip is included for sand, silt, and fine debris. Replacements available in 5' lengths.

Ultramax

Aquamax – Aquamax is a wide body computer controlled commercial pool cleaner that scrubs and vacuums floors, walls, and waterlines. An ideal cleaner for smaller pools found in YMCAs, schools, hotels, and health clubs. Has a cleaning coverage of 7500 feet of floating cable. Comes with parts package and instruction video.

AP2000

Aquamax

Aquamax Bi-Turbo – Aquamax Bi-Turbo is a commercial pool cleaner that incorporates all the features of the Aquamax but is equipped with two high-volume filter pumps for twice the vacuuming power. Has a cleaning coverage of 7500 sq. ft. per hour and is lightweight at 36 lbs. The ideal vacuum for spot cleaning in any area of the pool.

- AP2000BT Aquamax Bi-Turbo**
- AP2000BTRC Aquamax Bi-Turbo w/ remote control**

Aquamax Bi-Turbo

Aquamax Jr. Plus – Aquamax Jr. Plus is ideal for pools up to 60 feet with a cleaning coverage of 5500 sq. ft. per hour. Vacuums and scrubs floors and walls and comes with 100 feet of floating cable. A dependable pool cleaner, the Aquamax Jr. Plus is lightweight at 25 lbs., and low voltage (24 V).

AP2000JP

Aquamax Jr. HT – Aquamax Jr. HT is ideal for pools up to 45 feet with a cleaning coverage of 4800 sq. ft. per hour. The cleaner vacuums and scrubs floors and walls. Comes with 60 feet of floating cable.

AP2000JRHT

Aquamax Jr. HT

Pool Vacuum Heads

Patented vac heads clean a pool bottom in up to half the time, even with low flow suction. Unique suction chamber concentrates vacuum velocity from both ends as well front to back. Has metal swivel handle on stainless steel shaft and strategically placed weights for balance and ease of operation. Adjustable wheels increase or decrease vacuum velocity and special flex strips guide debris into exclusive suction chamber. Swivel connection for 1.5" vac hose while 2" fits directly on body. Recommended by service professionals throughout the world.

BD5793 - Flex vacuum with side bristles, carder

BD5793

BD5802 - Pro 14" Flex Vac, urethane wheels, ball bearings, metal swivel handle

BD5785 - Pro 19" Flex Vac, urethane wheels, power suction band, chrome and black metal swivel handle. Ideal for use in high-traffic pools.

BD5785

AS01355 - Heavy duty 14" inch vacuum. Strong aluminum body with self-adjusting center brush. Fits 1-1/2" vacuum hose.

AS01355

AS08662 - Aluminum body wheeled vacuum with heavy duty self-adjusting center brush. Fits 1-1/2" vacuum hose.

AS01358 - 18" metal vacuum. Made of anodized aluminum and chromed bronze. 1-1/2" internal connections and 2" external connection. Designed to accept both size hoses. Connection is stainless steel.

AS01358

Vacuum Heads - cont.

AS01357 - 31" commercial vacuum. Double length metal head. Towed with cable (not included). Polished anodized aluminum and chromed bronze. Fits 2" vacuum hose.
